

Jennifer Morrison

Jenn was born and raised in Edmonton. She holds both a Master of Chemical Engineering degree and a Master of Business Administration degree, both from the University of Alberta.

Jenn has worked at EPCOR for the past 10 years and has held a variety of project management, engineering and operational roles. In her current role, Jenn's team is responsible for maintaining and repairing the underground water network and providing 24/7 emergency response to water outages.

In her spare time, Jenn enjoys running and getting out to the mountains with her two dogs. Jenn is looking forward to supporting the Edmonton community through WINGS.
